

- ◆ Long-life of high quality blade
- ◆ Back gauge is available to give fine adjustment
- ◆ Simple construction and excellent practicability
- ◆ Easy to operate with lower energy consumption
- ◆ Widely used for medium and thick steel

Model	Q11-3x1300
Max. shearing thickness	3.0 mm
Max. shearing width	1300 mm
Shearing angle	2°
No. of stroke	55/min
Motor power	3.0 KW
Back gauge range	350 mm
Overall dimension	2100x1500x1100 mm
Weight	980 kg
